One Stop Medical Center Hosts Open House for New Surgical Center

Edina, MN (March 2012) – Dr. Steven Shu, MD, MBA, and his dedicated staff at One Stop Medical Center (OSMC) are pleased to announce the clinic's new and expanded surgical center at Southdale Medical Center. Boasting 5,000 square feet of office space and a premier Medspa facility, OSMC invites current and prospective patients to attend open house sessions on Saturday, March 24 and Saturday, April 21 from 10 a.m. to 2 p.m..

“OSMC has tripled its original 1,400-square-foot space to 5,000 square feet,” Dr. Shu said. “This expansion will allow us to offer an even wider range of medical and cosmetic procedural services to our patients.”

The new and improved surgical center, located on the second floor of Southdale Medical Center, features five rooms dedicated to Medspa services alone, including a consultation room, photography room, facial room and laser rooms. In addition to three medical exam areas, the center includes two standard operating rooms.

“Our procedure clinic offers a full range of office procedure services, including hemorrhoid care, no scalpel vasectomy, varicose vein treatment, skin surgeries, nail fungus laser treatment and endoscopies et al,” Dr. Shu said. “Our equally extensive surgical facility includes cosmetic surgery services such as liposuction, breast and butt augmentation, tummy tuck, eyelid and eyebrow surgery, total facial rejuvenation, and vaginal rejuvenation.”

One Stop Medical Center provides patients with the most comprehensive office procedure services, emphasizing minimal invasion and local anesthesia. OSMC offers the most extensive range of state-of-the-art technologies in the state of Minnesota, with equipment serving every area of office medical and cosmetic procedures.

Dr. Shu is a board certified laser surgeon and an expert of office procedures in the United States. He has adopted countless revolutionary techniques to achieve ideal results with more efficiency affordability and safety.
